Market Opportunity Profile

An information packet was presented to the group proposing to move forward with Downtown Diva software. This will be presented to the Downtown Partners Board of Directors at their next meeting. It would require the Downtown Diva template for \$695 and two FileMaker Pro licenses, roughly \$900 annually. Set up will begin once the software is approved and received.

Start Up Sioux City

Updates were given on the Base3 event, where over 70 people attended. An update was also given on the Launch Week activities that had a great showing and strong content. Wagner reported that this group is looking into who should be a part of future meetings and how to best compliment the efforts of the Start Up Sioux City history and success in continuing to mobilize entrepreneurship efforts.
