### **AGENDA**

1. Structure of Start Up Sioux City

2. Activities and Goals

*(Initiative: Mobilize “city builders” to support entrepreneurship, new businesses by marketing downtown and helping to reduce regulatory barriers that can help small businesses and entrepreneurs to thrive.)*

- Position downtown as the regional center of innovation and entrepreneurship – develop consensus and partnerships with economic development partners such as the regional Chamber.
- Utilize business support services (#1 above) and focus on innovation and entrepreneurial sectors.
- Partner with local colleges to establish a downtown presence and curriculum that supports innovation and business development.
- Help support an emerging culture of innovation and co-sponsor events and social activities with like-minded groups, such as SCGO.

3. Next steps

**Next Meeting: November 21, 2016 \*large group\***
