

ART IN THE ALLEYS!

The Alley Art Festival will be held on Saturday, September 26 from 1pm – 11pm. Once again, the alleyways between Fourth, Fifth, Pierce, and Nebraska Streets will come alive as area artists create bold murals that add beauty and vibrancy to Downtown Sioux City! The street art festival features outstanding live music, food vendors and expanded space out onto 4th Street where you can browse and purchase art from area artists.

As we prepare for our second year, we are faced with a pandemic that has forced us to change the way we hold this community event. We have taken public safety concerns into consideration as we continue our planning.
